

Damaged Mail Box

A mail box struck directly by a snow plow, will be replaced at the expense of the snow removal contractor or Township depending upon who caused the damage. This does not include damage caused by the force of snow plowing. There must be direct contact. Compensation will be limited to the price of a "swing-away" post \$55.00 a replacement box \$15.00 (if needed) plus \$25.00 installation labor or a total of \$95.00. Should the property owner choose to take cash in lieu of repair he/she may do so but with the full understanding that only swing away mail boxes will be replaced at the subject location going forward.

Consideration/Conditions for replacement

The Township road overseer must be notified as soon as practical so that he may inspect and determine cause, extent of damage and accountability.

Where are materials available
