To: Residents on CR 101 from CR 110 to CSAH 12
Residents on CR 110 from CSAH 12 to Deerwood Township Line

Re: CP 18-101-02 (CR 101), CP 18-110-02 (CR 110)
Construction Update

The Crow Wing County Highway Department has entered into a contract with Anderson Brothers Construction for bituminous surfacing on CR 101 and CR 110. Weather permitting, mainline paving operations will begin the week of May 23 followed by shouldering operations. The exact starting point has not been determined at this time. Traffic will be controlled with flaggers as needed. Expect delays and use caution while traveling through the construction zone.

After completion of paving and shouldering operations on these roads, new crash tested mailbox supports approved by the Commissioner of Transportation and the Postmaster General will be installed. The Contractor will install your existing mailbox on the new support. The existing support will be left near your entrance. All construction operations are scheduled to be completed by June 3rd.

Your cooperation is appreciated. Should you have any questions, please contact us at the number listed below.

Please visit the Crow Wing County website at <http://www.crowwing.us/index.aspx?nid=149> for further construction information.

Sincerely,

Steve Stroschein
Senior Engineer/Project Manager
